For Interviewer: Introduction read by interviewer for adults

I am going to read a list of things children may do. Please listen to each sentence and think about {FC1Name_W2.value}. Then, decide how often the sentence is true for {FC1Name_W2.value}.

[INTERVIEWER: Read the response options. You can choose: Never, Rarely, Sometimes, Often, or Always. I want to know what your child is really doing. Sometimes the question may not apply; for example, the question asks about school but your child does not go to school. If the question does not apply, you can tell me that. Also, it is okay to say that you do not know.
