I am going to read a list of things children your age may do. Please listen to each sentence and think about yourself. Then, decide how often the sentence is true for you.

[Interviewer: Read the response options to the child.]

You can choose: Never, Rarely, Half of the time, Most of the time, or Always. I am not asking you what you think you should do; I want to know what you are really doing. For instance, if the sentence is 'You tell the truth,' and you hardly ever tell the truth, you would say 'Rarely.' Sometimes the question may not apply to you; for example, the question asks about school but you do not go to school. If the question does not apply, you can tell me that.
